About Us.....

Al Mufeed Kitchen Industries LLC, (MKI) was formed with the objective of being the PERFECT SOLUTION PROVIDER for all types of kitchens, bakeries and hypermarkets. MKI is an innovative partner for the hospitality industry with a motto of providing efficient service with a "Touch of Quality" in every product or service it delivers.

MKI is lead by a team of experts having vast experience in its respective field of operations and marketing. Our expertise include layout, designing, planning, fabrication and installation as per individual client requirement within their budget. Our aim is to ensure that the client receives all services and solutions thereby providing a complete package for all types of kitchens.

Our support is widespread to all aspects of commercial and industrial kitchens and we make sure that the equipments meet the highest standards required for the food industry set by authorities . Our sourcing team finds state-of-the-art of equipments from the global market perfectly providing individual standards to our clients. We also provide assistance and maintenance support for genuine spare parts as our service team is approachable 24x7 days.
